(d) what is the number of cases where the criteria has been ignored; and

(e) what is the number of cases where any particular Auditor/firm has been given more than one such assignments?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI DALBIR SINGH): (a) The Industrial Reconstruction Bank of India (IRBI) has reported that its Delhi Office has stipulated the condition of its prior approval to appoint internal auditors in respect of 7 cases.

(b) This condition has already been enforced in respect of one case and is being enforced in respect of two more cases where disbursements have been made recently. In three cases, internal or concurrent auditors appointed by the companies are continuing and the position will be reviewed after their term expires. In one case legal action has been initiated and hence the condition is not enforceable.

(c) and (d) As a measure of financial control and proper use of funds, IRBI stipulates the appointment of a firm of Chartered Accountants as internal/concurrent auditor to monitor the progress of the company. For this purpose IRBI maintains a panel of names of Chartered Accountants wherefrom a few names are suggested to the industrial compan appoint one of them whenever IRBI decides to stipulate the condition for appointment of internal auditor. Wherever the companies are already utilising the services of internal auditors, IRBI normally allows them to retain their services provided such auditors comply with the terms of reference given by IRBI and nothing adverse is reported against such auditors. Notwithstanding this, in certain cases the condition of prior approval of IRBI is still stipulated as a measure of stricter control to be exercised.

(e) IRBI has reported that there is no case where an assignment has been given to any particular firm in more than one case.
